

RATES IN EFFECT AS OF: Friday, April 03, 2026

We use two terms to explain how much interest we pay on your deposit accounts.

- Interest Rate:** Annualized percentage rate we pay on your account, and does not reflect compound interest, which is any interest paid on interest you've earned.
- Annual Percentage Yield (APY):** Annualized percentage rate we pay on your account, and includes compound interest. APY may be higher than the Interest Rate due to compound interest.

¹ Minimum deposit requirement of \$1,000 to open a CD. Interest is compounded daily and, unless you choose differently, will be paid on your CD at maturity or annually if the term is more than 12 months. You may instead choose to have your interest paid on a monthly, quarterly or semiannual basis; however, withdrawing interest before maturity will reduce the APY.

² There is a penalty for early withdrawal.

³ CD and Retirement CD relationship rates are available to customers with a linked J.P. Morgan Private Client Checking Plus, J.P. Morgan Classic Checking, Chase Private Client Checking, Chase Sapphire Checking, Chase Premier Plus Checking, Chase Total Checking, Chase Secure Checking, Chase College Checking, or Chase High School Checking account.

⁴ CD ladders are a group of four CDs opened at the same time for the same amount but with different terms. A linked Chase Private Client Checking account is required to open a CD ladder.

⁵ We don't offer new Retirement CDs.

A copy of the Deposit Account Agreement is available upon request. Fees could reduce earnings. Rates and balance tiers for checking, savings, CDs and Retirement CDs are applicable as of the effective date, and may change at our discretion.

"Chase Private Client" is the brand name for a banking and investment offering, requiring a Chase Private Client Checking account.
